CONDITION REPORT: In good antique condition throughout with some signs of age and wear. General surface wear in places including some age-related marks to the front, but overall, good. Structurally solid and sound. The doors close well, and the catches remain in good condition. Some evidence of old historic woodworm in places – this is long gone and has been fully treated as a precaution. Separates into two parts and the legs can also be removed for access to particularly tight spaces. A good quality, functional piece of Victorian pine furniture.
