Description

A highly unusual Georgian solid sterling silver toast rack by the renowned Robert Hennell I. The base carries the hallmarks for London 1789 and all separate pieces carry associated hallmarks except the two pins that hold the entire structure together. An elegant boat shaped base with a crest. The horizontal racks fit neatly into their allotted spaces - some are slightly bent, probably as a result of being removed on a regular basis. It's a lot easier to clean than some others! Dimensions: Length: 19cm Width: 10cm Height: 14cm Weight: 263g Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
