Description

Antique Victorian Mahogany flame grain dressing table mirror. An elegant Mahogany dressing table mirror in a rare stunning original condition. We have for sale this beautiful condition classic early Victorian dressing table mirror made from flame grain Mahogany featuring an adjustable tilt mirror and 2 lovely turned and fluted mirror supports complete with round finials, ideal for any period property. This mirror has obviously really been cherished and cared for all of its life as the condition is some of the best we have seen, the original French polished finish is complemented by the idyllic lightly faded original rich mahogany colour and patina. We have sympathetically restored this mirror by carefully waxing the original finish to preserve this item for many years to come and to give a lustrous shine the polish. Please note: this item is in very good condition for its age but will have the odd blemish. However, we feel that adds to the charm of the item so we have left it untouched and original.
