Description

A well-proportioned antique pine farmhouse kitchen table. The pine table has a four plank top and a single fitted drawer to either end. The table is raised on four turned legs. Excellent colour throughout with good authentic wear adding to the farmhouse charm. Item Ref; M-2557 . DIMENSIONS: Height – 76cm / Width – 183cm / Depth – 83cm / Legroom - 61cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and staining to the top and to the base (pictured), but overall, good. The farmhouse kitchen table remains structurally solid and sound. Some minor evidence of old historic wood worm to the base – this is long gone and has been fully treated a precaution. A good example of an antique pine farmhouse kitchen table.
