Description

An attractive early 19th century antique mahogany chest on chest of tallboy chest of drawers. The top section has a moulded cornice and an arrangement of two short over three long graduating drawers, with canted corners. The base has a pull-out slide above three long drawers. The chest on chest is raised on bracket feet. Separates at the mid-point for ease of transport and movement. Item Ref; M-2560 . DIMENSIONS: Height – 185cm / Width – 111cm / Depth – 55cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some age-related marks to the drawer fronts (pictured). There are some honest historic repairs in places including some patching to the veneer. The chest on chest remains structurally solid and sound with the drawers running well. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
