Description

A small, antique pine chest of drawers. The straight front pine chest has a moulded edge top above an arrangement of two short over two long drawers. Each of the drawers has wooden knobs. Raised on bracket feet. Item Ref; M-2499 . DIMENSIONS: Height – 84cm / Width – 92cm / Depth – 42cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some age-related marks and staining to the top and to the drawer fronts (pictured). The pine chest remains structurally solid and sturdy. Some minor evidence of old historic wood worm – this is long gone and has been fully treated as a precaution. A neat example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
