Description

The colours of these early mid-century ear clips are just incredible! An intense bright royal blue enamel bleeds into golden yellow with an emerald green centre which looks like a little jewel. Perhaps pansies? Anemones? A unique hand painted item which would have been slightly different every time it was made. The earrings are in excellent vintage condition with good strong clips and no evident damage to the enamel. Rendered in solid silver with metal clips. Size: 2.6 x 2.3cm (approx an inch across). Total weight: 8.2g. FREE INTERNATIONAL SHIPPING!
