Description

Circa late 1880-1910 a pair of well made, solid brass adjustable height double arm brass candlesticks. They measure 40cm in height, 27.5 across at the widest part and have a base of 13cm in diameter, and there are no signs of repair or damage on either. Both are in very good condition and the adjustable height mechanism works on both. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad, please contact us for a delivery quote.
