Description

A Collection of 8 Beech and Elm Country Windsor Chairs. The chairs are a classic design and traditionally made from solid wood. They all have hoop backs in the traditional Windsor style, some with spindles, the others are wheel back. These chairs do not match each other; they are very sturdy chairs, the joints are all good, there is no woodworm or wobbling, the wood has a good natural patination; they have not been stripped or stained. This is a good quality Group of eight chairs and would be the perfect addition to any Farmhouse Kitchen. The chairs are approximately 35" high at the back, the seats are 17" high, and 15" wide across the front. TGB719.
