Description

This pair of hand shaped glove mannequins which are in great condition are in 3 parts which slide together and sit on built in stands. These not only look fantastic on display but are nice usable items so would make a super item for a vintage clothes store or jewellery shop for displaying jewellery or clothing. Condition: In excellent vintage condition with only light signs of use in keeping with age. A few very light marks, scuffs and chips leaving a wonderful patina. No woodworm. Please note that only the two wooden glove stretchers are included and any other items in the pictures are for scale only.
