

SA814365

Dutch silver knitting needle guards - late 18th century

Price

Sold**Item Reference: SA814365****Date of manufacture: 18th Century**

Description

A super pair of Dutch silver knitting needle guards dating to the late 18th century. These are super condition and are suspended on a long chain, which is the original but has been extended by the addition of a further piece of chain which is also silver. Both guards are marked one is rubbed and the other is very small but it does appear to be a makers mark. Each guard is 4.5 cm long Original chain is 25 cm Additional chain is 12 cm
