Description

A super quality decent sized 835 Dutch solid silver miniature toy carousel / merry-go-round. It is hallmarked with the mark used from 1953, I would date this piece top c1950s/60's. It has been superbly designed and is in fully working order spinning freely. It is in super condition being free from dings splits and repairs. It measures approx. 3.25 inches (8.3cms) tall by over 2.5 inches wide (6.7cms) and weighs an impressive 96 grams. A high quality unusual piece.
