A wonderful original Art Deco period dining table in walnut. This was made in England, it dates from the 1930's. It is of wonderful quality and is a very useful size. It would be equally useful as a dining table or a desk. The top has a lovely barrel shape design, it sits on twin pedestals and has beautiful walnut veneers all over. The grain patterns and colour tones are gorgeous. We have just had this stripped and re-polished, it is in superb condition throughout.
