Description

A superior, Victorian, solid silver vesta case, in a very unusual design. Both the front and back are smartly decorated with a very stylish ribbed design. The lid is hinged to one side the opens and closes firmly with a nice snap. Hallmarks are clearly visible on the inside lip of the Vesta case for the Birmingham Assay office with a date mark for 1890 and maker's marks for the silversmith Joseph Whitten. The Lion Passant is also visible indicating the finest sterling silver. This vesta case feels good solid, is a heavy gauge of silver and feels nice to hold in the hand. A rare item in this design!
