Description

UK POSTAGE ONLY FOR THIS ITEM Gents Omega Seamaster De Ville wrist watch, 1966. The watch has a 24-jewel automatic movement, calibre 711, which is working nicely. The movement is fully signed and the serial number, 23,158,760, dates it back to 1966. The watch measures 34mm diameter excluding the winding crown and the lugs. The top two lugs are leaning to one side very slightly, it is not too noticeable at all and they are very solid and secure. The case is stainless steel and it is in very nice condition. The case back has the raised Seamaster logo to the outside and the Omega logo to the inside, together with the case reference 165.008 which is correct for the 711 movement. There are a couple of scratches to the back, probably where a case back opening tool has slipped in the past. The winding crown is a later plain replacement. The lens is in lovely condition, and it has the tiny clear Omega logo to the centre. The signed dial has black and gold number markers, original black hour and minute hands, and gold seconds sweep. The dial is in its original finish and it is in very nice condition. A new leather strap has been fitted. The watch comes in a new prese...
