Description

Royal House Antiques is delighted to offer for sale this very rare fully restored four seater Knoll sofa with oversized feather filled cushions. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote please send me your postcode and I'll provide you with the exact price. If you're looking at this listing then the chances are you know exactly what this piece is, a very rare, highly collectable piece of English country house furniture. The arms as mentioned removed for ease of transport as do all the cushions, although this is a large sofa it's not unmanageable at all. Sofa dimensions: Height:- 93cm frame only, 105cm to the top of the brass balls. Width...
