This stunning original antique Swedish leather sofa has just been imported from Sweden, it dates from the 1900-1910 period. The design is lovely, this is very stylish and impressive, and is a lovely size. It is well made and of super quality, well sprung and very comfortable. We have had this fully restored, the leather has been revived and hand coloured by our leather polisher & the legs have also been re-polished. This is in excellent condition throughout for its age & it's full of character. We also have a matching pair of leather armchairs available, will be seen listed under our other items for sale once back from restoration. Please let us know if interested in those as well.
