Description

Incredible condition, professionally serviced with 12 month warranty. The diameter is 37mm excluding the crown which makes this a jumbo and the largest vintage Omega and one of the rarest, this model was only ever sold in Japan and is rarely seen outside of Japan. The movement is the calibre 561 Chronometer grade fully automatic. The model reference number is 168.001. The dial with date is in mint condition having been fully restored. It will come with both brown and black premium leather straps. It is very rare to find this watch in such amazing condition and much sought after by collectors. The watch has just been fully serviced and is guaranteed to be a genuine Omega in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers original parts. Every part is then thoroughly cleaned in a 3 stage ultrasonic cleaning process. The movement is then fully assembled using manufacturer approved oils and lubricants and is carried out in a clean ...

Internal Ref: omega constellation
