Description

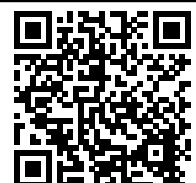

A wonderful & elegant original antique Edwardian period writing table in mahogany. This was made in England & dates from the 1890-1910 period. It is beautifully made and has an unusual bow fronted design. There is lovely satin wood inlay throughout, the original handles are solid brass and also have fantastic detail. The drawers are solid wood lined with fine hand cut dovetailed joints, and this is polished on all sides so can be used as a free standing item. The leather has been hand coloured and gold tooled. This is in great overall condition, we have just had it re-polished. Width – 39 inches , 99 cm Depth – 23 inches , 58 cm Height – 29 inches , 74 cm Knee height – 24 inches , 60 cm
