Description

A pretty George III silver cream cream with fluted detail to the lower half and reeded rim and fluted handle. A bright cut engraved band of vines runs below the rim. Later gilded inside. Hallmarked for London 1799, maker's mark partially rubbed but I believe it is that of Peter & Ann Bateman (clearer to see in life than in the photo). It measures 12cm (4 11/16") high, 12.5cm (4 7/8") spout to handle and 7cm (2 3/4") wide. It weighs 132g / 4.3ozt. Condition is very good with no damage or dents and light handling wear. A small, invisible repair to the top of the handle.
