Description

A fabulous and unusual English silver plated Cocktail Shaker with the body having a deep engine turned decoration creating a good textured area to securely hold and having a wonderful tactile finish. The underside isn't marked by the maker but the last one of these I had was made by English silversmith, Roberts and Dore. The underside is marked EPNS for Electro-Plated Nickel Silver. This one is also lucky to have an integrated ice breaker inside the top, always highly sought-after. Art Deco in era, dating to c.1930. Excellent condition and impressive large size measuring 3 1/2" in diameter x 8 1/4" tall. Item: 43110 FREE Worldwide Registered Airmail Directly From the UK
