Description

Royal House Antiques is delighted to offer for sale this absolutely stunning Georgian Irish style Victorian sofa with hand carved Hawk claw & Ball feet and Hawk head detailing. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote, please send me your postcode and I'll provide you with the exact price. I've never seen another of this quality style and charm, it is simply exquisite throughout, the upholstery seems period and original, we have lightly restored it to include a professional upholstery clean. The legs are all carved from solid slabs of mahogany, they have been stained and polished from new, the end result is something which should be classed as art furniture. The arms are hawk heads eating worms I think surrounded by flowers. Any questions please feel free to ask.
