Description

A 19th century elm chest of drawers with five long drawers. This beautiful antique elm chest of drawers has decorative pillar side detail, decorative brass handles and is raised on bracket feet. A well-proportioned antique elm chest of drawers with plenty of character, especially from the grain and rich patina throughout. FREE DELIVERY on this item to mainland UK. Item Ref; M-2637 . DIMENSIONS: Height – 89cm / Width – 105cm / Depth – 50cm . CONDITION REPORT: In good antique condition throughout with some signs of age and wear. There are imperfections throughout with surface wear in places including to the top, and shrinkage to the plank top and sides (pictured). However, a structurally solid piece ready for daily use. All drawers run smooth, there is an honest repair to the right hand side of the middle drawer (pictured). There is extensive evidence of historic woodworm throughout, this is long gone and has been fully treated as a precaution. Overall, an attractive antique elm chest of drawers. Please note, decorative items are for illustration purposes only and are not included in the sale of the item. Our carpenter inspects, repairs, and restores our items, so you ca...
