The movement is signed with the Limit name, Limit were importers of watches into the UK, and they were based in Oldham in Lancashire, UK. The watch measures 50.8mm diameter excluding the winding stem and the loop. The case is nickel and has light surface marking from use and some mild bruising to the back but nothing too detrimental at all. The watch glass is in lovely condition. The signed double sunk dial is in nice condition with original hands, a subsidiary seconds dial and an outer minute track. The watch comes with a single graduated chain, 31cm long. The watch and chain will be sent in a new presentation box.
