Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This is a classic watch. It has a calibre 269 manual winding movement, this is the last incarnation of the legendary 30T2 series of movements used by the Battle Of Britain pilots. It has a mint original dial. It measures 34mm in diameter excluding the winding crown. It also has the Omega symbol on the winding crown and a genuine Omega buckle. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
