Description

A rare survivor from the past is this beautifully made late 18thc "boxed" comb....it is carved all over with very attractive floral decoration and is in really good condition with the two types of comb teeth....one side for very fine combing and the other for normal combing....this is the first one of its type I have seen complete and in such good order.... Scandinavian. C1770-90.

Internal Ref: MS 7228
