Description

This oak tantalus is dated 1905 with a silver plaque to the top. It has three decanter bottles - all with no chips or breakage. The Tantalus has brass decoration to the sides and front. The locking mechanism is worked by lifting the two flaps so the decanter bottles can be accessed. It also reveals a nob to open the fitted drawer underneath. There is an original mirrored back behind the decanters. st 3086
