Description

Royal House Antiques is delighted to offer for sale this exceptionally rare and absolutely stunning fully hallmarked 1915 Liberty's London Sterling Silver miniature carriage clock made in the Tudric style. I have a few very high-end Liberty's of London clocks, there are two Archibald Knox Sterling silver and Enamel pieces, two pewter, one silver plated and so on, they are all listed under my other items. This clock has been lightly polished and that's it, it's in good working order however I haven't used the piece over a long period of time as a clock, I've never used it actually, it was for pure decoration, I would recommend having it serviced should you wish to use it on a daily basis. Its fully hallmarked with the sideways facing Lion for sterling silver, the ship Anchor for Birmingham, the date letter Q for 1915, and lastly L&Co for Liberty and Co. Dimensions Height:- 10.3cm Width:- 10.5cm Depth:- 5cm Please note all measurements are taken at the widest point, if you would like any additional or specific measurements, please ask. Any questions please feel free to ask.
