19th Century Three Draw Brass & Mahogany Telescope by W. Harris & Son, London

Price

Sold**Item Reference: SA817911****Date of manufacture: 19th Century**

Description

A 19th century three draw brass and mahogany telescope by W. Harris & Son, London, complete with original brass end cap. The telescope has some light wear commensurate with age but generally remains in a very good condition with all lenses intact. The telescope does function but is slightly out of focus. A lovely piece that displays well. Dimensions:- Length (fully drawn): 67.5cm Length (closed): 25cm Diameter: 5cm Weight: 690 grams DELIVERY UK Mainland: £5.50 International Delivery: Please contact us for a no obligation delivery quote.
