Width = 3.1 cm (1.2")

Description

A beautifully designed rare French solid silver gilt spoon. It is hallmarked with French hallmarks and it dates to 1809-1819, the bottom mark being the middle guarantee mark for this period. It has been beautifully made with the handle being in the form of a sword. It is in superb condition being free from dings splits and repairs. It measures approx. 6.5 inches (16.5cms) across by 1.25 (3.1cms) wide and weighs 30 grams. A beautifully designed rare early piece.

Internal Ref: 16877
