Width = 5 cm (2.0")

## Description

A beautifully designed rare Victorian solid sterling silver sugar sifter spoon. It is hallmarked for London 1869 with the makers marks being HH for Henry Holland (of Holland, Aldwinckle & Slater). It has been superbly made having an ornate cast classical soldier handle and is in superb condition being free from dings splits and repairs. It measures approx. 6 inches (15.2cms) long by 2 inches (5cms) wide and weighs 56 grams. A beautiful high quality piece.

Internal Ref: 24375
