Description

An excellent antique George III period bow front chest of drawers in mahogany. This was made in England, it dates from around the 1790-1810 period. It is of fine quality and has a lovely design, it sits on splayed bracket feet and has wonderful original brass handles. There is a brushing slide that comes out from just beneath the top, and the top has a cross banded rosewood edge. We have just had this re-polished, it is in lovely condition for its age. There are various small marks and indentations beneath the polish, this has acquired a beautiful patina over the last 200 years & has loads of character. Width – 37 inches , 94 cm Depth – 20 inches , 51 cm Height – 32 inches , 82 cm
