Description

Royal House Antiques is delighted to offer for sale this absolutely sublime exceptionally rare circa 1880 Pollard oak partner desk with oxblood leather top made by and fully stamped Howard & Son's Berners Street. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote, please send me your postcode and I'll provide you with the exact price. What can I say, a 140 year old desk, in one of the best timbers around and made by one of the greatest furniture makers England has ever produced. Howard & Son's history is extensive, I'll include a short bio below. The desk has the normal partner desk drawer configuration, there are divider slots and some dividers in most drawers, most likely this was a watch makers desk. We have cleaned waxed and polished this from top to bottom, there will be normal age and use related patina marks here and there, nothing that detracts from the age, charm and sophistication of the piece.
