Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote, please send me your postcode and I'll provide you with the exact price. If you're in the market for the absolute finest campaign drawers ever to come to market then look no further, these are sublime. I've only ever seen one other chest made with this formation, I've bought maybe 1000 campaign chests over the many years I've been in the trade, the other one I saw I kept for myself which is exactly what I would be doing with this one had I not kept the other. This is all walnut, you will never see another walnut campaign chest, the timber was too expensive. This is an officer's chest, there is a hat drawer to the left, glove drawer to the middle, these are rare additions in themselves. The central drawer comes out to reveal a large green leather writing slope, the base has two metal clips which when released opens up more storage, open the back top section...
