Width = 25 cm (9.8")

Depth = 5 cm (2.0")

Description

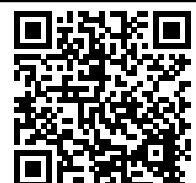

A stunning Art Deco diamond ring. The glowing old European cut in the centre – graded by HRD as M colour, SI1 clarity – is secured in a simple four-claw collet which “floats” in the centre of a fabulously crafted setting. A total of thirty-four eight-cut diamonds are set in the softly curved and milgrained surround; first forming a “box” around the centre stone, then stepping down to the slim D-shaped shank. Exceptional and intricate craftsmanship. Accompanied by a diamond grading report from HRD Antwerp (#180000145809). Cut – Old European cut (with eight-cuts in the surround). Colour – M (with G to H in the surround). Clarity – SI1 (with VS1 to VS2 in the surround). Carat – 1.34 carat, with a further estimated 0.34 carat in the surround. Circa – 1920. Measurements – The diamond is 7.04 x 7.17mm. The ring is 12mm at the widest point and sits 5.6mm from the finger. Size – P (UK) or 7.5 (US). Complimentary sizing is available, can go up or down. Metal – Platinum. Tested. Video – To view a video of this ring recorded in daylight, please copy / paste the following link into your browser:
