Description

A super rare travelling inkwell. This is in the form of a boot, covered in leather, which has a lovely patination and detailing to the front of the boot. The leather is in really good condition commensurate with age and use. The boot opens well with a concealed push button on the front and it snaps shut. The inkwell in the inside opens and closes well. This would make a great addition to a collection. L 9.5 cm W 3.5 cm H 5.5 cm
