Description

A stunning pair of antique Swedish armchairs, beautifully constructed from solid satin birch. These were recently imported from Sweden & they date from around the 1910-1920's period. The quality is superb, and these are not only incredibly stylish, but very comfortable too. The satin birch frames have a gorgeous colour and beautiful grain patterns, these look amazing from all angles. We have recently had these re-polished and completely re-upholstered in our cream cotton fabric, the condition is excellent for their age.
