Description

A French armchair of good proportions, late 19th century, with square back, scroll arms and sprung seat, raised on ring turned front supports. In good condition overall, the seat is comfortable with no lumps or bumps. The blue ribbed fabric is somewhat grubby but would possibly clean up well - I have not attempted it. I can arrange re-covering with my upholsterer and supply fabric if preferred - please contact me for details. Height of back 89cm, the seat measures 68cm across the front, 53cm deep and 33cm high.
