Item Reference: SA821945

Date of manufacture: 1920

Description

We have this truly beautiful wax female head with plenty of character and style. The piercing blue eyes and red lips are typical of the art deco era and style. It's got wonderful detail and would be a great display item or decorative in any shop, home, gallery, or museum. We're able to hire out most of our display items so if you'd like to hire this item, feel free to talk to Josh or David about our rental agreements.
