Description

An excellent original Art Deco period wardrobe on chest, beautifully made from burr walnut. This was made in England, it dates from the 1930's. The quality is amazing, and this is a very useful size with lots of storage space. The upper cabinet has built in shelves, a hanging rail and even a tie rack. The lower drawers also have ample space, they open and close smoothly, and the upper compartment has a locking key. We have had this stripped and re-polished to a very high standard, the condition is superb throughout. The colour tone and grain patterns are absolutely stunning throughout.
