Description

A stunning original Art Deco partners desk in walnut. This was made in England by Maple & Co, it dates from the 1930's. The quality is absolutely superb, this is beautifully designed and constructed. There are amazing book matched figured walnut veneers all over, with cross banded walnut stripes running across both sides. The plinth base and edges of the top are also cross banded in a contrasting darker walnut. This is a great size, and has two cabinets on the rear as well as eight drawers on the front. The inset black leather top has been re-coloured and revived. We have had this entirely stripped and re-polished to a very high standard, the condition is amazing throughout. It can be broken down into three pieces for transport, and top locks into place once placed on the pedestals.
