Description

Probably the best Ladies / Gentleman's Glove Powder Flasks I have bought....it has a pleasing shape and is made of a burr wood....it looks like Walnut or Birch....it unscrews at the top and the bottom....there is a small amount of nibbling to the threads inside the base, but it still screws up tightly and unscrews well, so no restoration needed. The colour and patination is stunninga real collectors piece...! French. C1820-40.
