Description

This handsome silver plated lemon squeezer which dates from c1930 has a pierced strainer which retains the pips once your fruit has been squeezed and works by placing your lemon or lime half within the claws and then closing the two handles to squeeze. This unusual citrus press is a nice quality piece of barware that is in excellent condition and is a very heavy weight. A stylish barware item that looks great on display and is also a good usable bar accessory. Weight: 434 grams. Condition: Excellent used antique condition with some light signs of use in keeping with age. Some light surface scratches and general wear. Please note that only the lemon squeezer is included and any other items in the pictures are for display only.
