

SA822488

Mary Gregory Cranberry glass bowls.

Price

Sold

Item Reference: SA822488

Date of manufacture: Victorian

Dimensions

Height = 18 cm (7.1")

Width = 18 cm (7.1")

Description

This is a matched pair of Victorian Mary and Gregory Cranberry glass bowls. They are the shape of goldfish bowls each measuring 7 inches or 18 cm tall and wide. Lovely condition no cracks or chips apart from a pinhead size chip on 1 of the bowls much too small to take a picture and not at all of any detriment to the bowl. They are very rare I have not seen the like for many years.

Internal Ref: M&G bowls
