Description

Royal House Antiques is delighted to offer for sale this stunning French marquetry inlaid circa 1870 Empire style three-piece suite with neoclassical detailing. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote, please send me your postcode and I'll provide you with the exact price. A very rare and good-looking set, the frames are mahogany with hand carved inlay to the curved backs, the upholstery is very old and has some kind of sofa silky finish. The arms each have rather stately looking figures carved in the top, they are giltwood as are the paw feet. In terms of condition the frames have various chips and scratches from honest age and use, the upholstery is okay, but the settee has some marks to the base, I can have it fully restored should the new owners wish to include a complete French polish of all timber and new upholstery in a fabric of your choosing, for a price please contact me.
