Description

A magnificent antique chinoiserie cabinet of the highest quality. This was made in England & dates from the 1920's. This is one of the finest examples we have ever come across, it is extremely well made and is also extremely heavy! The lacquered chinoiserie is beautifully executed throughout, and this is even decorated with chinoiserie bordering on the inside. The thick glass doors are bevelled and the shelves are extra thick toughened glass. What's really nice is the mirrored inside back panel. This is in absolutely amazing condition for its age with minimal wear, it has been so well looked after. We also have a matching pair of tub chairs and matching occasional table that came with this, seen listed under our other items for sale. Width – 56 inches , 142 cm Depth – 19 inches , 49 cm Height – 74 inches , 187 cm
