Description

A stunning antique Victorian flip top side table in solid mahogany, with a spinning top & dating to around the 1850 period. The shape is very unusual and really gorgeous. It has a flower shaped top, sitting on a birdcage support on top of a beautifully carved tripod base. The base has floral carving, acanthus knees and claw and ball feet. This is of absolutely amazing quality throughout. We have had this recently re-polished, the condition is excellent for its age, with a wonderful colour and patina.
