Description

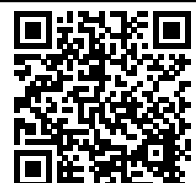

A beautiful pair of antique carved mahogany floor lamps, it is unusual to find a matching pair in this style. They were made in England, and date from the 1910-20's period. These lamps are of excellent quality, with lovely carving throughout. They are in very good condition, with just some minor surface wear and a gorgeous patina. One of the lamps is very slightly leaning, though this is hardly noticeable. We have paired them with a lovely pair of vintage shades that are in keeping with the style and are also in very good original condition. The lamps have just been re-wired and PAT tested for safety, they are in good working order. Width base – 12 inches , 30 cm Width shades – 20 inches , 51 cm Height to socket – 63 inches , 160 cm Height to shades – 72 inches , 183 cm
