Description

This is beautiful well made Art Deco period coat stand. Made entirely of oak with smooth rounded edges which give the piece a real elegance. Then emphasised by the ebonised feet. Simple design which I think will work well in a number of different interiors. There is a partial makers label to the bottom which looks to read 'Abyss' but hard to be sure. No faults and solid construction so perfectly useable. Height 177cm Diameter of base 50cm. Price includes UK mainland delivery.
