Description

A rare and beautiful solid sterling silver enamelled snuff box. It is marked 935 with what looks like Austrian marks. I would date it to c1910. It has been beautifully designed with the enamelled lid hand painted with the image of a meadow landscape. It is in superb condition being free from dings splits chips cracks and repairs. It measures approx. 2 inches (5.2cms) across by 0.75 inch (1.9cms) and weighs 40 grams. A superbly made top quality piece.
